

HUNTERS GREEN

Your Neighborhood Association News | www.huntersgreen46278.org

Garage Sale

Our community Garage Sale will be Saturday, June 6 from 8:00 AM to 4:00 PM. Our garage sale will coincide with the other Huntington Community Sales.

Mail Boxes

It is part of our covenants to have the same color, style, and posts on all mailboxes. It is up to the home owners to ensure they are compliant. There are some mailboxes in need of replacing and posts in need of paint. Paint is available for FREE from the HOA and new boxes cost only \$65. Contact Rick Couch for more information at brickred1@aol.com

Trash & Neighborhood Cleanliness

Remember, all trash needs to be in bags for trash pick up every Wednesday morning. If you're interested in recycling, [Ray's Trash](#) and the [City of Indianapolis](#) are two options to consider.

Yard Lights

Our covenants require that yard lights are functional. Please ensure your yard lights are on at dusk and through the evening. If the light is not functioning, check one of the following suggestions:

- Install a new sensor. These can be found at a hardware store
- The ground reset button may be in the second bathroom or in the garage
- There may be a light switch in the front hall that controls the yard light
- The light bulb may be burned out

Pond Aerator

We had an electrical company fix the wiring to our aerator. This will alleviate worry about ants and other critters damaging the electrical equipment.

To help keep the pond clear of algae, when your lawn is fertilized, please sweep up any residual chemicals. These can run off into our pond. The pond is a holding area for our storm drains.

Summer Storms

The spring rains have arrived and we want to minimize damage in our neighborhood.

All homeowners that live near sewer drains, please make sure they are clear of debris, as this will help the waters recede much faster.

Website & Facebook

Our site is a work in progress – Thank you Beth Millett for all your work on our site!
<http://huntersgreen46278.org/>

We are working to do more communication electronically through the site and our Facebook page.
